### **Note please!**

**If calling from abroad, please add international code and city code ( +358 - 9 - ...) to the phonenumber of the restaurant. When calling a 020- or 010 number leave the first zero out (+358-20-.. or +358-10-...).**

**No area code needed with these numbers.**

**When in Helsinki and calling with a mobile phone, please add city code (09 - ...) to the phonenumber of the restaurant. 020 and 010 numbers do not need an area code.**
